*The happy
marriage
quiz*

by Amos Arthur Holmes

I have often wondered if married men realize just what it is that instigates family squabbles. I have found that it all lies in how wisely a spouse answers a direct question.

So I have devised the AMOS HOLMES HOW TO ANSWER YOUR WIFE WITHOUT GETTING KILLED QUIZ. In this quiz I will pose a question regularly asked by wives and I will give the 3 answers most popular with husbands. I want you men to pick the one answer that would be most likely to cause an argument.

Example:

Wife's Question: Won't you pick up your clothes?

Answers: 1. I'll do it right now.; 2. I'm sorry I'm so careless.; 3. Stuff those clothes up your nose.

Now if you checked number 3 you would be right. This is a very bad answer and one that could cause your wife to become edgy. So fellows, take this quiz and find out if you really know the type of answer that is most likely to start marital arguments.

QUESTION: Can my mother come over for dinner? 1. I love your mother very much.; 2. She is always welcome in this house.; 3. Your stinking mother gives me the itch.

QUESTION: Am I still a sexy woman? 1. You excite me every single minute.; 2. You drive me wild with passion.; 3. You're as sexy as a bag of corncocks.

QUESTION: Why don't you kiss me anymore? 1. I'm afraid of hurting your lips.; 2. Your breath smells like 5 dead cats.; 3. I'm afraid of bruising your tonsils.

QUESTION: Do you like this new dress I bought? 1. You make any dress look lovely.; 2. I love your taste in clothes. 3. Gosh! I thought it was a tablecloth.

QUESTION: Would you become upset if I had an affair? 1. Of course I would become upset.; 2. Ha! Ha! Ha! Ho! Ho! Ha! Ha! Ha!; 3. Even the thought would kill me.

QUESTION: Is that lipstick on your cheek? 1. Yes, and these are bite marks on my neck. 2. I must have cut myself shaving.; 3. I've been painting by number.

QUESTION: Why don't you take me dancing anymore? 1. I always mean to. Let's go tonight.; 2. You dance like the Loch Ness monster.; 3. You dance so much better than I do.

QUESTION: Do you think my legs are nice? 1. You have very lovely legs.; 2. Your legs always excite me.; 3. Did you ever play football for Notre Dame?

QUESTION: Have you ever had a woman other than me? 1. I wouldn't touch another woman. 2. Mary. Jody. Katie. Margie. Beth. Alice.; 3. You are all I'll ever need.

Well fellows, I hope you did well. Finding the right answer isn't all that easy...is it? To be eligible for many grand prizes please send your answers, along with two thinly clad women, to: Amos Arthur Holmes c-o Maryland Independent.
