

POSTPONED

*I'm going to run away from home
Mama don't treat me right
I can make it easily on my own
So I'm leaving here tonight*

*I broke into my piggy bank
And counted out my pile
Six pennies made me stop and think
I better stay awhile*

SMILES

*Why do people hate to smile
It's an easy thing to do
It brightens up the long hard day
And spreads some happiness too*

*It makes the human heart-strings sing
It eases every fall
So place a smile upon your face
(It isn't hard at all)*

CONTROL

*Whenever my wife and I argue
My temper I do hold
I never fly off the handle
I never curse or scold*

*I take it nice and easy
And as the argument grows
I smile in sweet forgiveness
AND PUNCH HER IN THE NOSE*

FOREIGN MATTER

*I'm all dressed up and ready to go
I'm going to dance all night
This dress cost sixty dollars
And is really out of sight*

*But now I'm in such great distress
And only heaven knows
Just how that lousy little flea
Got in my pantyhose*
